Private Tuition

Please indicate whether you would like to book private tuition for your child this academic year. Tuition must run for a minimum of 1 term with a half terms notice of cancellation.

Music

Brass Tuition, Keyboard, Strings, Woodwind or guitar. We may be able to source other tuition subject to demand. Please select your child's preferred instrument using the form below. £12.50 per lesson subject to a minimum of three children subscribing to the lessons.

Fencing Tuition

Private fencing lessons are available at a cost of £10 per individual lesson with Mr Marshall.

Play Rehearsals – Drama –

We are commencing play rehearsals on Fridays for an hour after school. Attending

these will depend upon the scenes being rehearsed at that time and the part which your child has in the play. These are really important as we do not like to disrupt curriculum time for play rehearsals any more than strictly necessary. If you will be unable to support your child's participation in this Friday rehearsal we will need to know so that they do not take on a major speaking part.

This year our school numbers have increased past the point where we can find parts for all pupils in one play. Consequently secondary pupils are putting on a performance of Red Riding Hood and primary pupils will be putting on a performance of Eddie the Penguin saves the World.

Website Updates

Please can parents explore the website which we are attempting to use as the hub for all important events and communications. We are happy to encourage you to follow our twitter and facebook feeds. This actually supports our school marketing as well as providing bulletins for current news and information. We appreciate any feedback which you may have to offer.
